NEW Christmas Gift Collection

The NEW Weleda gift collection consists of 10 stylishly simple and great value gifts - to suit a range of budgets - that care for both people and planet.

Sustainably packaged with no plastic inserts or cellophane wrapping, they're lovingly created by hand and are easily and entirely recyclable.

Relax & Restore Mini body oils selection

An appealing Body Oil selection in four different fragrances, so you can mix and match to your mood and unwind at the end of a long day knowing the planet is equally cared for. Each one is made from the finest plant oils sourced from Weleda's organic fair trade farming partnerships.

Supporting Treesisters

For 2021, our Centenary year, what better way to mark this incredible milestone and celebrate Weleda's 100 year history, whilst simultaneously looking to the future, than to plant a Weleda forest in collaboration with the environmental charity TreeSisters. The aim of this long-term project is to plant one million trees to combat climate change.

Our new gift collection will support a tree for every purchase!
